

## Amour Essential Oil Blend

**DESCRIPTION:** Feel the love and energy from this floral and sweet fusion. Diffuse it to ignite passion and love in your life.

**TOP AROMATHERAPY BENEFITS:** love • passion • energy

**AROMA:** Floral & Sweet

**INGREDIENTS:** Citrus aurantium dulcis (orange) peel oil, cymbopogon martini oil, lavandula hybrida oil, pogostemon cablin oil, juniperus mexicana oil, cananga odorata flower oil

**CAUTION:** Discontinue use if skin sensitivity occurs. Keep out of reach of children. Not for internal use. If pregnant, nursing, or under a doctor's care, consult physician. Avoid contact with eyes and mucous membranes. Avoid sunlight or UV rays for up to 12 hours after applying product. Not intended for use on children.

### TOP TIPS:

#### Diffuser

Add 1 drop oil per 20 ml of water and diffuse for a romantic and energizing aromatherapy experience.

#### Date Night

Diffuse to encourage intimacy and passion.

#### Personal Perfume

Combine with a carrier oil and dab on pulse points for an all-natural perfume.

#### Linen Mist

Add to a spray bottle of distilled water and spritz linens for an inviting bedroom or bathroom.

#### Massage

Combine with a carrier oil and use as a massage oil.

#### Shower Gel

Add to DIY bath or shower gel for a relaxing experience.

#### Add to Bath

Add a few drops to a warm bath for a romantic soak.

#### Get Creative

Diffuse early in the morning to inspire creativity.

#### Natural Pick-Me-Up

Diffuse or dilute and use topically when experiencing mental fatigue or needing a boost.

#### Set the Mood

Add to a carrier oil and apply to pulse points to set the mood.

### EXPERTLY BLENDED

Amour is specially designed by our aromatherapy experts with the following oils:

Cedarwood

Lavandin

Orange

Palmarosa

Patchouli

Ylang Ylang

Usage: Use 3-5 drops per 100 mL of water with a diffuser. Dilute at a 1 to 4 ratio with carrier oil to use topically.
